

Dear Parent/Guardian,

The Archdiocese of Baltimore requires that one dental exam form be on file for each student. In the interest of better dental health, families are strongly encouraged to have their child/children visit their dentist twice a year for check-ups/cleanings. Please have your child's dentist complete the following form after his/her next dental exam and return the form to the health room. Again, only 1 form is required for the duration of your child's education at St. Augustine School.

Thank you!

Sincerely,

School Nurses
